ARKANSAS, Central and North Central

In the picture: Highway 11 in Higginson (White County) was under water on 05/04/2006.

White County

**3 ESE Griffithville to
Griffithville**

04	0900CST	0	0	Flash Flood
-----------	----------------	----------	----------	--------------------

Heavy rains produced flash flooding in several parts of White County. Several buildings in Searcy sustained flooding, with some parked vehicles submerged in flood waters. Southeast of Griffithville, Highway 11 was blocked by high water for several hours. Water covered Highway 11 in Higginson as well.

Pulaski County

3 NE North Little Rock

04	0810CST	0	0	Flash Flood
-----------	----------------	----------	----------	--------------------

Heavy rainfall, produced by slow moving thunderstorms, produced flash flooding in portions of North Little Rock. A number of streets in the city were impassible for several hours due to high water levels from runoff.

Faulkner County

Conway

04	0930CST	0	0	Flash Flood
-----------	----------------	----------	----------	--------------------

Heavy rains produced flash flooding in parts of downtown Conway. Several businesses had standing water inside for a few hours after the rainfall subsided. Some vehicles were washed off roadways, but no injuries were reported.

Ouachita County

Buena Vista

04	1440CST	0	0	Hail(1.00)
-----------	----------------	----------	----------	-------------------

Ouachita County

Buena Vista

04	1440CST	0	0	Thunderstorm Wind (EG50)
-----------	----------------	----------	----------	---------------------------------

Ouachita County

Camden

04	1450CST	0	0	Thunderstorm Wind (EG50)
-----------	----------------	----------	----------	---------------------------------
